SEE WHAT NOPCOMMERCE CEO SAYS ABOUT US

nopAccelerate has been our trusted partner for more than three years. The company specializes in implementing nopCommerce and enhancing its performance for high-loaded websites using Apache Solr. nopAccelerate has proven the quality of their service and deep understanding of nopCommerce by developing and supporting 60+ sites for their clients. Besides, that nopAccelerate's leading developers are active members of the nopCommerce community. They contributed 20 free and paid plugins and themes to nopCommerce marketplace earning MVP status for Krunal Jariwala. Besides that, they delivered a speech sharing their knowledge with more than 100 nopCommerce developers on nopCommerce Days 2016.

Andrei Mazulnitsyn
CEO & Founder, nopCommerce
